Manasvi Grover

Machine Learning Engineer at Envirya

South Delhi, Delhi, India

Summary

A determined and diligent Electronics and Communications Engineer in the making. forward-thinking professional with knowledge in all aspects of her stream. Excellent interpersonal and communication abilities, and possess a wide range of technical skills. Has the flexibility of working well as a part of a team and on my own. I am an organizational whiz and Machine Learning Enthusiast who can work on multi-layered tasks and balance multiple projects concurrently. I love to take up new projects and find the best-optimized solution for the same following an Innovative and Minimal Approach. I am a strict disciplinarian and Hardworking undergraduate student.

Experience

Envirya

Machine Learning Engineer

January 2020 - Present (3 months)

Gurgoan

Currently working on various Machine Learning problems involving regression, classification and unsupervised learning as well

Worked on an Insurance Claim Prediction Model and successfully deployed it on AWS eC2.

Lent a hand in a Facial Recognition by curating an end to end dataset with about a million pictures overall

Have worked on Sagemaker, Comprehend and GCP for Machine Learning

Stealth Mode Startup Company

Data Science Intern

May 2019 - December 2019 (8 months)

New Delhi Area, India

Worked on web scarping, manipulation of data collected and managing it using NodeJS with Cheerio, Puppeteer, and Mongo DB

Worked extensively on web scraping through all possible techniques using Python and MySQL

Familiarised with the following libraries - Bs4, Requests, Selenium, Scrapy

Substantial work on Data Visualization - Static and Dynamic
Familiarised with the following libraries - Matplotlib, Seaborn, Bokeh, ggplot,
pygal

NotesHub

2 years

Head Of Marketing

January 2019 - November 2019 (11 months)

Intern

December 2017 - December 2018 (1 year 1 month)

Enactus,ADGITM

2 years 8 months

President

February 2018 - April 2019 (1 year 3 months)

Project Head

October 2018 - February 2019 (5 months)

Member

September 2016 - February 2018 (1 year 6 months)

BSES Delhi

Internship Trainee

January 2019 - January 2019 (1 month)
